Notice:	11/2011
Issued:	13th September 2011
Effective date:	13th September 2011
Affected products:	Tanker Products
Amendments effected:	Appendix 5 – Annex 5A and 5F Product Specifications

NOS is de-listing the Tanker route TD11 with effect from 13th September 2011

Further to the announcement from the Baltic Exchange regarding the suspension of TD11 (Banias – Lavera) from 5th September 2011, NOS is de-listing the TD11 future and option products with immediate effect.

Since there is open interest in TD11 contracts, NOS will allow close out trades. The open contracts will be settled against a spot price calculation agreed by the involved counterparties.
