

Collateral and Settlement Account Agreement – APPENDIX A

Collateral and Settlement Account Terms

1. Interest rate

The interest earned will be credited the Collateral and Settlement account on a monthly basis.

The interest rate on the account is listed in the below table:

Currency	Interest on cash deposits	Overdraft Interest
NOK	1 mth NIBOR - 0,7 pp	1 mth NIBOR + 3 pp
GBP	1 mth LIBOR - 0,7 pp	1 mth LIBOR + 3 pp
EUR	1 mth LIBOR - 0,7 pp	1 mth LIBOR + 3 pp
SEK	1 mth STIBOR - 0,7 pp	1 mth STIBOR + 3 pp
USD	The interest paid is shown on the NOS webpage under Freight and Collateral	Prime + 3pp

Please bear in mind that overdraft will occur if the balance of the account is not sufficient to cover mark to market settlement taking place after trading hours each trading day. To avoid penalty interest on overdraft, it is recommended to keep the balance on the account at a level assuring that settlement due to one day of price fluctuations can be met.

2. Costs

USD: Service fee of USD 200 is debited the Clearing and Settlement account on a monthly basis

NOK / SEK / GBP / EUR: A yearly service fee of NOK 1,000 is debited the Collateral and Settlement account at year end.

The service fee includes all mark-to-market transactions. In addition there will be the incurred transaction costs to and from the Collateral and Settlement account with external banks.

The cost is subject to changes by NOS by a 30 days notice.
