4.6.1 Where it is notified to NOS by a Market that an error has occurred in respect of a Cleared Contract NOS may take any steps it in its sole discretion considers appropriate in respect of that Cleared Contract, including, for the avoidance of doubt, cancelling the Cleared Contract by deemed entry in to equal and opposite contracts with the affected Clearing Member. To the fullest extent permitted by law and regulation, NOS shall bear no responsibility upon the instructions or notifications of a Market in taking any such steps.

4.6.2 For the purpose of this Clause time is of the essence. Where a Clearing Member believes that a Contract submitted for Clearing or Cleared Contract is erroneous or not legally binding on it, the Clearing Member must immediately, and under no circumstances later than the time limit specified in Appendix 7, make a written complaint to NOS. Failure to make a written complaint within such time shall be deemed to be acceptance of the Cleared Contract for all purposes absent manifest error or fraud.

NOS Clearing*

- 4.6.3 Complaints received by NOS shall be handled in accordance with the complaints procedures established by NOS as amended from time to time. NOS may present the complaint to third parties including (without limitation) the relevant Market or the counterparty to the transaction which gave rise to the Cleared Contract.
- 4.6.4 NOS may cancel or alter a Cleared Contract if there is reason to believe that a Clearing Member party to such Contract realised or should have realised that any term of the Cleared Contract was erroneous.
- 4.6.5 A Clearing Member disputing a decision by NOS under the rules in this Clause shall within two months after the Contract was executed, refer the dispute to arbitration in accordance with Clause 10. A failure so to refer the dispute shall be deemed to constitute acceptance by the Clearing Member.

5 CLEARING AND SETTLEMENT

5.1 General

5.1.1 Where a Cleared Contract arises in accordance with this Rulebook and is recorded in the Clearing Account of each Clearing Member party to the Contract, such Contract shall be replaced by novation by two sets of open contracts, one between each Seller and NOS, and one between each Buyer and NOS, in each case as principals to the Contract. The terms of each such open contract shall be those of the Contract.

5.1.2 As a central counterparty NOS shall:

- (a) effect settlement vis-à-vis Clearing Members party to a Cleared Contract in accordance with this Chapter;
- (b) request and obtain Collateral for Margin Requirements pursuant to Chapter 6; and
- (c) take action in case of default pursuant to Chapter 7.

All Cleared Contracts between NOS and a Clearing Member shall be governed by the Rulebook and shall be treated as single indivisible agreements governed by the Rules.

5.2 Accounts

5.2.1 A Clearing Member shall establish and maintain at least one Clearing Account with NOS at all times. NOS shall register all Contracts undertaken by a Clearing Member in such Clearing Member's Clearing Accounts as instructed by the Trading Representative(s) or Traders.

5.2.2 All Contracts are registered in Clearing Accounts established in the name of the Clearing Member. A General Clearing Member must separate its principal and client trading by establishing one or more separate Client Clearing Accounts and Proprietary Clearing Accounts.

NOS Clearing*

- 5.2.3 A General Clearing Member shall establish and maintain one or more Client Clearing Accounts. Contracts entered into on behalf of clients shall be recorded in a Client Clearing Account of the General Clearing Member. The General Clearing Member shall upon request immediately disclose to NOS the identity of the client that is recorded with the General Clearing Members as beneficial owner/holder of one or several Contracts.
- 5.2.4 A General Clearing Member may also establish and maintain one or more Proprietary Clearing Accounts. Contracts entered into on the account of the General Clearing Member shall be recorded in a Proprietary Clearing Account if the General Clearing Member.
- 5.2.5 A Clearing Member shall establish and maintain one or more Margining Accounts, identifying the Clearing Accounts that shall be consolidated there under. A General Clearing Member must establish and maintain:
- (a) one or more Margining Accounts linked to its Client Clearing Accounts; and
 - (b) one or more Margining Accounts linked to its Proprietary Clearing Accounts.
- 5.2.6 A Clearing Member shall establish and maintain a Collateral and Settlement Account for each Margining Account established. The Collateral and Settlement Account shall be used for deposits of cash Collateral and for settlement in accordance with this Rulebook, and NOS shall have right of disposal over the Collateral and Settlement Account, only to be exercised in respect of amounts due and owing to NOS from the Clearing Member.
- 5.2.7 A Clearing Member shall be responsible for all obligations owed to NOS in respect of every Clearing Account and Collateral and Settlement Account opened in respect of such Clearing Member, including Client Clearing Accounts.
- 5.2.8 NOS shall, except as provided for below in Clause 5.2.9, have the right at any time to combine and consolidate the balances on any and all Clearing Accounts and Collateral and Settlement Accounts held by a Clearing Member, and to set off any amount or amounts (whether or not denominated in the same currency) standing from time to time to the credit of any one or more such accounts in or towards satisfaction of all or any liabilities of such Clearing Member to NOS.

5.2.9 NOS may not:

- (a) combine and consolidate the balances on Client Clearing Accounts with the balances on Proprietary Clearing Accounts of a General Clearing Member; or
- (b) set off any amount or amounts (whether or not denominated in the same currency) standing from time to time to the credit of any Client Clearing Accounts against the balance on the Proprietary Clearing Accounts of a General Clearing Member in or towards satisfaction of all or any liabilities of such Clearing Member to NOS.

5.3.1 This Clause shall apply when cash settlement takes place through the Collateral and Settlement Account. The Clearing Cycle is described in Appendix 7.

5.3.2 Settlement shall take place on each Collateral and Settlement Account once each Settlement Day.

5.3.3 NOS shall on each Settlement Day:

- (a) perform Mark-to-Market Settlement and/or Delivery Period Settlement in respect of each Futures or Forward Contract to which a Clearing Member is party; and

5.3.4 NOS shall, without prejudice to its rights under Clause 5.2.8 with respect to Clearing Members with several Clearing Accounts, aggregate and off-set settlements values arising from Mark-to-Market Settlement, Delivery Period Settlement, Premium Settlement, Option Exercise Settlement and any other settlement due each Settlement Day to create a net settlement amount for each Collateral and Settlement Account. Subject to Clause 5.3.6, the net settlement amounts calculated in accordance with this Clause 5.3.4 shall be binding on the Clearing Member upon being reported to the Clearing Member by NOS.

NOS Clearing*

5.3.5 NOS shall on each Settlement Day instruct a Settlement Bank to credit or debit the Collateral and Settlement Account for the net settlement amount calculated in accordance with Clause 5.3.4, at the settlement time specified in the Clearing Cycle. A Clearing Member shall ensure that sufficient funds are credited to its Collateral and Settlement Accounts at the time of settlement to enable such instructions to be fulfilled.

Settlement of Contracts with physical delivery shall be settled as set forth in Clause 5.9.2 and in the Product Specification.

5.3.6 If a settlement is erroneous, the affected Clearing Member must notify NOS not later than five Clearing Days after the day the settlement was reported by NOS, or he shall be deemed irrevocably to agree with the terms of such settlement. NOS shall endeavour to deal promptly with timely complaints and, if the relevant settlement was in its view incorrect, make a corrected settlement between NOS and the parties to the relevant Contract in the next ordinary settlement to be effected. For the purposes of making corrected settlements, NOS may credit or debit the relevant Collateral and Settlement Accounts of the affected Clearing Members.

5.3.7 Irrespective of the time limit above, NOS may effect a corrected settlement if the Clearing Members who benefited from the mistake understood, or ought to have understood, that a mistake had been made. The time limit for complaints shall not apply to corrections of settlements which are a result of corrections of trading errors.

5.4 Daily Mark-to-Market Settlement

5.4.1 Daily Mark-to-Market Settlement between NOS and each party to a Futures Contract shall be calculated and settled in accordance with the Product Specification. Daily Mark-To-Market Settlement shall occur on the Settlement Days designated in the Product Specification.

5.4.3 On the first Settlement Day after a Futures Contract arises each Buyer shall pay (receive) to (from) NOS the negative (positive) difference calculated as the Closing Price less the Contract Price. Each Seller shall receive (pay) from (to) NOS the equivalent amount.

NOS Clearing*

5.4.4 For each subsequent Settlement Day, the Buyer shall pay (receive) to (from) NOS the negative (positive) difference calculated as the Closing Price on the Clearing Day, less the Closing Price of the Contract on the preceding Clearing Day. The Seller shall receive from (pay to) NOS the equivalent amount.

5.4.5 A Clearing Member closing a Futures Contract entered as Buyer shall pay (receive) the negative (positive) difference calculated as the sold Contract Price, less the Closing Price of the contract on the preceding Clearing Day. A Clearing Member who closes a Futures Contract entered as Seller shall receive (pay) the equivalent amount.

5.5 Delivery Period Settlement

5.5.1 Each Buyer and Seller under a Futures Contract shall effect Delivery Period Settlement on the Final Settlement Day designated in the Product Specifications. NOS shall calculate and perform Delivery Period Settlement in accordance with this Clause.

5.5.2 On the Final Settlement Day the Buyer shall pay (receive) the negative (positive) difference calculated as the Settlement Price, less the Closing Price of the Contract on the preceding Clearing Day. The Seller shall receive (pay) the equivalent amount.

- 5.8.2 A Buyer may Exercise an Option Contract for which Option Delivery Settlement is designated in the Product Specification on the Clearing Days specified in the Product Specifications. Exercise requests shall be sent to NOS within the time limit specified in the Clearing Cycle and in such form and by such means as NOS may specify.
- 5.8.3 On the close of the Option Expiry Day NOS shall on behalf of the Buyer effect Automatic Option Exercise for all Open Positions in Option Contracts if:
 - a) the Option Reference Price less the Exercise Price, divided by the Exercise Price is equal to or higher than the limit set out in the Product Specification for a call Option Contract, and
 - b) the Exercise Price less the Option Reference Price, divided by the Exercise Price is equal to or higher than the limit set out in the Product Specification for a put Option Contract.
- 5.8.4 NOS shall on the close of the Option Expiry Day of an Option Contract notify each Buyer if the Option Contract will be subject to Automatic Option Exercise. The information shall be provided in the manner and within the time limit specified in the Clearing Cycle. A Buyer may abandon an Option Contract by giving notice to NOS within the time limit specified in the Clearing Cycle and in such form and by such means as NOS may specify.
- 5.8.5 Abandonment and manual Exercise may be for all or parts of the Open Position of the Buyer. Options that are abandoned will expire on the Option Expiry Day.
- 5.8.6 NOS will select the Seller(s) against which to Exercise. The allocation process randomly determines each lot to be assigned in such a way that its selection is independent of either the preceding lot or of the subsequent lot in the selection process.

NOS Clearing*

- 5.8.7 NOS will inform the Seller(s) about the allocation in the manner and within the time limit specified in the Clearing Cycle.
- 5.8.8 Following Exercise, NOS will perform Option Delivery Settlement by registration of the following transactions in the Underlying Contract on the Buyer's and Seller's Clearing Accounts:
- a) for call Options: the Buyer (Seller) shall buy (sell) the Underlying Contract at a Contract Price equal to the Exercise Price; and
 - b) for put Options: the Buyer (Seller) shall sell (buy) the Underlying Contract at a Contract Price equal to the Exercise Price.
- 5.8.9 The Buyer and Seller shall be bound by the transactions undertaken pursuant to Clause 5.8.8 in all respects.

5.9 Other Settlements

- 5.9.1 Where a Buyer or Seller is entitled to receive or obliged to pay an amount or receive or provide physical delivery by way of settlement under the Product Specification for a Contract, NOS shall perform the settlements according to the Product Specification.
- 5.9.2 Any Contract with physical settlement shall be settled on the Delivery Day by the Buyer paying the Seller the Contract Price and the Seller delivering the Buyer the underlying as set forth in the Product specification.

6 MARGIN RULES

6.1 General

6.1.1 To cover its obligations arising from trading and Clearing, each Clearing Member shall provide Collateral pursuant to this Chapter.

6.1.2 A Clearing Member shall provide Collateral to cover:

- (a) its requirement for Base Collateral in accordance with Clause 6.2;
- (b) its Margin Requirement in accordance with Clause 6.3; and
- (c) extraordinary and intra day margin in accordance with Clause 6.5.

6.1.3. The Collateral shall be provided in accordance with the time limits specified in the Clearing Cycle.

6.1.4. A Clearing Member shall provide sufficient Collateral prior to the Clearing of a Contract.

6.2 Base Collateral

6.2.1 The Base Collateral shall cover a Clearing Member's overnight positions and serve as an individual default fund relating to the Clearing Member's obligations. The Base Collateral shall be provided in accordance with Clause 6.4.

6.2.2 Subject to the following sentence, the minimum Base Collateral shall be equivalent to EUR 100,000. NOS may in its sole discretion call for a higher Base Collateral taking into consideration the Clearing Member's market exposure, financial soundness, frequency and size of margin calls and earlier volume of Trades subject to clearing and other matters which NOS consider in its sole discretion to be relevant to its ability to meet its obligations towards NOS.

6.3 Margin Requirements

- 6.3.1 After a Contract is approved for Clearing, NOS shall calculate a real time Margin Requirement for the Margining Account of each party to such Contract. If this calculation shows that a Clearing Member's Margin Requirement exceeds the Margin Collateral, NOS may cause the Clearing Member's ability to input new Orders or execute Orders at the Markets to be restricted.
- 6.3.2 NOS shall once a Clearing Day after Clearing Hours, calculate the Margin Requirement for each Margining Account of a Clearing Member, reflecting (in NOS' sole discretion) the market risk in the portfolio of Contracts registered in the Clearing Account(s) linked to that Margining Account.
- 6.3.3 The Margin Requirement calculation shall be based on the Closing Prices calculated in accordance with the Product Specification. NOS may for margining purposes adjust a Closing Price if there is reason to believe that the Closing Price does not reflect the market value of the Contract in question. NOS may also require Collateral to cover other risk factors as provided for in the Product Specification. Clearing Members with multiple Margining Accounts denominated in multiple currencies may have the Margin Requirements converted into a single currency. NOS will in its sole discretion determine the exchange rate for such currency conversions as it considers prudent.
- 6.3.4 NOS shall after each Clearing Day inform each Clearing Member of its Margin Requirement. A Clearing Member shall post Collateral to cover the Margin Requirement in accordance with the timetable set out in the Clearing Cycle.

6.4 Accepted Collateral

- 6.4.1 Collateral shall be:
- (a) cash deposits on the Collateral and Settlement Account of the Clearing Member; and/or
 - (b) irrevocable Letters of Credit with a residual duration of ten Clearing Days or more from a financial institution approved by NOS substantially in the form attached as Appendix 4 or otherwise agreed by NOS. A Clearing Member shall provide new Collateral not later than ten Clearing Days prior to the expiration of a Letter of Credit, and/or

NOS Clearing*

- (c) Non-Cash Collateral as accepted by NOS at its sole and exclusive discretion, to be deposited with NOS according to NOS' instructions and to be assigned a value at NOS' sole and exclusive discretion at the time of the pledge and anytime thereafter.

NOS may require such proportion of the Margin Requirement as it may determine in its sole discretion to be provided as cash deposits on the Collateral and Settlement Account of the Clearing Member (specifications set out in Appendix 5) or as Non-Cash Collateral deposited as instructed by NOS to cover settlements.

- 6.4.2 Any excess Collateral after coverage of the Margin Requirement, Base Collateral and aggregate settlement amounts, may be released by NOS to a Clearing Member upon a written request in the form set out in Annex 3B to Appendix 3 or Annex 10B to Appendix 10. NOS may refuse such release in its sole discretion in and may set-off any other due claims against the Clearing Member against the balance in any Clearing Account of the Clearing Member, subject to Clause 5.2.8.
- 6.4.3 Clearing Members with several Margining Accounts may use excess Collateral from one Margining Account to cover Margin Requirements on other Margining Accounts, subject to Clause 5.2.2. If the excess Collateral to be posted to a Margin Account is denominated in a different currency from the base currency of that Margin Account or is a Non-Cash Collateral the excess Collateral will be converted into the same currency as such base currency. NOS will, in its sole discretion, determine the exchange rate for such currency conversions as it considers prudent. NOS will also, in its sole discretion, determine whether and on which terms Non-Cash Collateral may be included in such conversion.

6.5 Extraordinary and intra day margin calls

- 6.5.1 NOS may issue extraordinary margin calls from a Clearing Member if in the sole discretion of NOS special circumstances, such as major price fluctuations, so warrant. NOS may issue intra day margin calls from a Clearing Member to cover increased Margin Requirements resulting from new Cleared Contracts or Contracts to be Cleared.
- 6.5.2 Collateral to cover extraordinary and intra day margin calls must be posted to the Collateral and Settlement Account within the time limit specified by NOS. The time limit allowed to post Collateral shall be at least one hour from notification by NOS.

7 DEFAULT RULES

7.1 The scope of the default rules

7.1.1 The rules in Clauses 7.1 – 7.7 apply to defaults by a Clearing Member only.

7.1.2 On the occurrence of any of the following events, or if NOS in its discretion determines that any of the following events has occurred or is likely to occur NOS may declare a Clearing Member a Defaulter:

- a) any of the events listed in sub-paragraphs (a), (b), (e), (f), (g), (h), (i) of Clause 2.1.11 or 2.1.12;

- f) the event listed in Clause 2.1.15.

7.1.3 A Clearing Member that it has been or is to be declared a Defaulter shall be notified by NOS as soon as reasonably practicable.

7.1.4 On declaration that a Clearing Member is a Defaulter NOS may at the cost and expense of the Defaulter take such steps as it considers necessary (including without limitation those set out in this Chapter) to discharge such Clearing Member's rights and liabilities under or in respect of all Cleared Contracts to which it is party and bring into account, net and set-off all sums owing and payable between NOS and such Clearing Member.

NOS Clearing*

7.1.5 A Clearing Member shall, once declared a Defaulter, continue to be a Defaulter until the earlier of notification by NOS that it is no longer a Defaulter or termination of Clearing Membership in accordance with Clauses 2.1.8 or 7.2.3.

7.2 Suspension from Clearing and trading

7.2.1 NOS may suspend a Defaulter. The relevant Market shall suspend a Clearing Member from trading in Listed Products when NOS suspends its Clearing Membership.

7.2.2 In the event of repeated or material defaults by a Defaulter NOS may terminate its Clearing Membership Agreement, subject to Clause 7.2.3.

7.2.3 The Clearing Membership Agreement shall remain in force as long as a Defaulter has Contracts on its Clearing Accounts. Chapters 5 to 9 of the Rulebook shall remain in effect as long as NOS has outstanding claims against the Clearing Member.

7.3 Close-out Contracts

7.3.1 NOS may effect Close-out Contracts of all Contracts of a Defaulter for the account and risk of such Defaulter through the Markets. Close-out Contracts shall be effected at the best reasonable price obtainable at the time of the Close-out Contract. The Clearing Member may effect close-out trading with prior written approval from NOS.

7.3.2 NOS may, in its sole discretion, restrict the Close-out Contracts to the number of Contracts required to satisfy the Margin Requirement. NOS may undertake any other trading on behalf of the Clearing Member for the Clearing Member's account and risk, to eliminate or limit the risk resulting from its Contracts.

7.4 Forced Termination

7.4.1 Where provided for in the Product Specification NOS may effect Forced Termination of a Contract in accordance with the terms of the relevant Product Specification.

7.5 Set-off of claims

7.5.1 Subject to Clauses 5.2.8 and 5.2.9 NOS may, in the event of default, withhold settlement, effect close-out netting and realise the Collateral provided by the Defaulter pursuant to the rules below.

7.5.2 NOS may effect close-out netting by:

- a) bringing into account all sums payable to or by the Defaulter in respect of Contracts or otherwise under the Rules (including for the avoidance of doubt any costs or expenses incurred by NOS under Clause 7.1.4);
- b) aggregating or setting-off all such sums to produce a net sum;
- c) converting any such sums denominated in multiple currencies into a single currency if deemed necessary or desirable by NOS; and
- d) setting-off such net sum against Collateral standing to the credit of the Collateral and Settlement Account of the Defaulter to produce a further net sum.

7.5.3 For the avoidance of doubt, NOS may combine and consolidate the balances on any Clearing Account or Collateral and Settlement Account held by a Defaulter and set off any amount standing to the credit of any such account against any claims NOS may hold against the Clearing Member, irrespective of the nature of the claims.

7.6 Realisation of Collateral

7.6.1 Subject to Clauses 5.2.8 and 5.2.9, NOS shall, in the event of default:

- a) have the right to debit the Collateral and Settlement Account of a Defaulter to cover any unpaid claim on the Defaulter; or
- b) call upon any Letters of Credit posted for the Defaulter. NOS may call for the whole amount of the credit thereunder. A court judgement or any other enforcement basis shall not be required in any case for NOS to make such a call. The Defaulter shall, if possible, be notified before a call is made under its Letter of Credit, or

NOS Clearing*

c) sell or otherwise dispose of any Non-Cash Collateral at the best price reasonably available, at NOS sole discretion, in the market.

7.6.2 Subject to the following sentence, any excess amount on the Collateral and Settlement Account or Non-Cash Collateral left after NOS's claims have been covered shall be transferred to the Clearing Member, and the Letter of Credits shall be released. If NOS has called upon a Letter of Credit, the Bank shall be paid before any excess amount shall be paid to the Clearing Member.

7.7 – Contracts with physical settlement

If the Seller in a Forward Contract with physical settlement fails to timely fulfil its obligations towards NOS, NOS shall proceed to purchase the required asset in the market at the prevailing price and shall deduct from Seller's Collateral any price paid by NOS for the replacement asset in excess of the payment received by NOS from Buyer. In the event that Seller's Collateral is insufficient to cover such excess price paid by NOS, Seller shall immediately upon NOS' request reimburse NOS the remaining amount.

If Buyer in a Forward Contract with physical settlement fails to timely pay as required, NOS may proceed to sell the asset received from Seller in the market at the prevailing price and shall deduct from Buyer's Collateral any negative difference between the price obtained for the asset and the price payable by NOS to the Seller. In the event that such Collateral is insufficient to cover such lower price obtained, Buyer shall immediately upon NOS' request reimburse NOS the remaining amount.

7.8 Default by NOS

7.8.1 In the event of a NOS Insolvency Event, all Open Positions will be automatically terminated for all Clearing Members. A termination notice will be given by NOS to all Clearing Members.

7.8.2 The early termination shall occur on the date the termination notice becomes effective, this date being designated as the early termination date.

7.8.3 Upon a termination notice becoming effective all Open Positions held by the Clearing Members with NOS will be automatically terminated and no further payments or deliveries under any Contract shall be required to be made save for the NOS Insolvency Close Out Amount, if any,

NOS Clearing*

determined by the Clearing Members for each Contract in accordance with clause 7.9 and off-setted (netted) to a net amount.

7.9 Determination of NOS Insolvency Close-Out Amount

- 7.9.1 Any NOS Insolvency Close-Out Amount shall be determined by the Clearing Member (or its agent), which shall act in good faith and use commercially reasonable procedures in order to produce a commercially reasonable result.
- 7.9.2 Each NOS Insolvency Close-Out Amount shall be determined as of the early termination date or, if that would not be commercially reasonable, as of the date or dates following the early termination date as would be commercially reasonable.
- 7.9.3 In determining a NOS Insolvency Close-Out Amount, the Clearing Member shall apply quotations pursuant to 7.9.3 (a) or relevant market data pursuant to 7.9.3 (b) below, unless the Clearing Member reasonably believes in good faith that such quotations or relevant market data are not readily available or would produce a result that would not satisfy the standards set out above in which case information pursuant to (c) and/or (d) below may be used:
- a) quotations (either firm or indicative) for replacement transactions supplied by one or more third parties that may take into account the creditworthiness of the Clearing Member at the time the quotation is provided and the terms of any relevant documentation, including credit support documentation, between the Clearing Member and the third party providing the quotation;
 - b) information consisting of relevant market data in the relevant market supplied by one or more third parties, including (without limitation) relevant rates, prices, yield curves, volatilities, spreads, correlations or other relevant market data in the relevant market;
 - c) information of the types described in (a) or (b) above from internal sources (including any of the Clearing Member's affiliates) if that information is of the same type used by the Clearing Member in the regular course of its business for the valuation of similar transactions; or
 - d) any other relevant information.

8 LIABILITIES

8.1 Exclusion of liability

8.1.1 Unless otherwise expressly provided in the Rules or in any other agreements to which NOS is a party:

- (a) none of NOS and NOS Personnel shall be liable for:
 - (i) any dishonest, fraudulent or malicious use of or trading on a Market;
 - (ii) any use of the Markets or of the NOS Applications or Clearing services by a Clearing Member otherwise than in accordance with the Rules;

8.1.2 NOS shall not be liable for any indirect or consequential loss or special, general or consequential damages whatsoever, including (without limitation) in respect of loss of profits or contracts.

NOS Clearing*

- 8.1.3 This Clause 8.1 shall not constitute a waiver or limitation of liability in respect of any rights a person may have under any laws or regulations of any jurisdiction which may not be properly disclaimed.
- 8.1.4 Nothing in this Clause 8.1 shall have the effect of excluding liability for death or personal injury arising from negligence.
- 8.1.5 NOS shall not be liable for any damage or loss that may be caused to any equipment or other software due to use of, or any viruses, defects or malfunctions in connection with access to, the clearing system.

8.2 Force Majeure

- 8.2.1 NOS shall not be liable for any failure, hindrance or delay in performance in whole or in part of its obligations under the Rules or (subject to the terms of the relevant Contract) of any Contract if such failure, hindrance or delay arises out of events or circumstances beyond its control. Such events or circumstances may include, but are not limited to, a change of law or regulation which in NOS's reasonable opinion would render a Clearing Member's participation on the Markets illegal or impractical or adversely affect the ability of such Clearing Member to perform its obligations under the Rules or a Contract, acts of God or a public enemy, acts of a civil or military authority, embargoes, fire, flood, labour dispute, unavailability or restriction of computer or data processing facilities, energy supplies, settlement systems or of bank transfer systems or wires, and any other causes beyond the parties' reasonable control.
- 8.2.2 On the occurrence of any one or more of the events or circumstances referred to in Clause 8.2.1, which shall immediately be notified by the party prevented, hindered or delayed from performing any of the obligations referred to in Clause 8.2.1 to the other, NOS shall be entitled to treat a Clearing Member affected by such events or circumstances as a Defaulter for the purposes of Chapter 7.

8.3 General

- 9.2.3 Termination as mentioned in 9.2.1 and 9.2.2 shall take effect from the moment no Contracts are registered in the Clearing Account of the Clearing Member, and all settlements are executed.
- 9.2.4 Termination of Clearing Membership shall be without prejudice to any claim NOS has against the terminating Clearing Member.

9.3 Choice of law

- 9.3.1 The governing law of this Rulebook and all Contracts and actions effected under the Rules shall be the law of England and Wales.
- 9.3.2 The governing law of each of the Clearing Membership Agreement, Collateral and Settlement Account Agreement, Non-Cash Collateral and Settlement Account Agreement and Letter of Credit shall be as set out therein.

9.4 Confidentiality

9.4.1 NOS shall secure that Confidential Information is not disclosed to any person other than NOS, NOS Personnel, a Market, the personnel of a Market or any professional adviser of, sub-contractor of, or consultant or insurer to any of the foregoing, provided that any disclosure outside of NOS, NOS Personnel, a Market, or the Personnel of a Market shall be subject to the requirements set out in Clause 9.4.4.

9.4.2 A Clearing Member shall secure that Confidential Information is not disclosed to any person other than its officers, employees, professional advisers, sub-contractors, or consultants or any member of such Clearing Member's Group, provided that any disclosure other than to an officer or employee of the Clearing Member shall be made in accordance with the requirements of Clause 9.4.4.

9.4.3 Confidential information shall mean any information relating to the affairs of a Clearing Member or NOS which is obtained in writing, or by electronic transmission of data, by a person pursuant to or in the course of the implementation or performance of the Clearing Membership Agreement and the Rules.

9.4.4 The requirements of this Clause are that the person disclosing such information shall take all reasonable steps to secure that the person to whom the information is disclosed is aware of that person's obligations under, as the case may be, Clause 9.4.1 or 9.4.2 in relation thereto; and is subject to confidentiality obligations at least equivalent to those of this Clause 9.4.4.

9.4.5 Nothing in this Clause shall prevent or restrict:

- (a) the disclosure or use by a person of Confidential Information relating to a person to which such person has consented in writing;
